

Equitile uses its social media pages to share ideas related to its products, business and the fund management industry with a focus on innovation. However, these are for general information only and are not an offer to sell or a solicitation of an offer to buy shares or units of any Equitile Funds or services to any person in any jurisdiction. Equitile does not offer any investment, legal, accounting or tax advice.

General Social Media Guidelines

Any personal or account information should not be published on Equitile's social media pages and we ask you strictly not to share such information on Equitile's pages.

Opinions and comments posted on Equitile's social media pages do not necessarily represent the views of Equitile and can and will be moderated and published or removed at our discretion.

Equitile reserves the right to block any follower who posts content that is deemed inappropriate or offensive, constitutes a testimonial or investment, tax or legal advice or is promotional in nature as well as the right to block followers whose own social media page contains offensive or inappropriate content or serves as a promotional site.

Some information on our pages may have been prepared or provided by third parties and may not have been verified by us and Equitile does not control information published by external parties. Equitile does not assume any liability arising out of the preparation or provision of such information and makes no warranty as to the accuracy, suitability or completeness of any third-party information including any third-party websites accessed via our social media pages.

Equitile cannot verify comments or information posted by followers in languages other than in English and excludes all responsibility arising from such posts.

The value of an investment may fall or rise. All investments involve risk and past performance is not a guide to future returns. Equitile offers no guarantee against loss or that investment objectives will be achieved. All legal documents including the prospectuses, KIIDs and reports are published on www.equitile.com.
